In the light of recent legislation regarding tipping we feel it important to outline our policy for the clarity of all.

CASH LEFT ON TABLE OR GIVEN TO SERVER

TIP PAID BY CREDIT/DEBIT CARD

Law requires that this be processed through the wages system as it passes through the company account. Hence, depending on individual tax credits, all front of house only receives about 58% of your donation as 40% is paid in taxes and 2% in credit card fees.

The business does not include tips in the hourly rate or take any part of them. While the team receives 100% of all tips, personal tax and credit card fees apply to credit/debit gratuities.
